

USING OLD PHOTOS to get INFORMATION

Student Name _____

Fill in one of these pages for each of the old pictures you are using. In each section tell where you got your information.

Describe the photo/what does it show? List as many details as possible.

Who took the picture and when? _____

If there are people in the picture, are they still living? Where? _____

If there are buildings, are they still there? Do they have the same use now as they did when the picture was taken? Make a list.
