Composition: Poems About Berries and Berry Picking

Berries

Fun berries, Sun berries
Eat
 them
 on
 the
 run
 berries.
Blue berries, Sue berries,
Linda,
 Betty,
 Sue berries.
Wink berries,
 Pink berries,
Better not blink berries.

BERRY PICKING SONG

(Tune: Fire's burning)

Picking berries, picking berries,
Blueberries, blueberries,
There are lots of them; there are lots of them.
We picked a whole lot.

This verse is then repeated with the substitution of other kinds of berries.
